

**LEE** AUTO-PRIME  
COMFORT GRIP

LEE PRECISION, INC.

Ergonomic, soft touch grip for Auto-Prime and Auto-Prime XR owners

- 1** Place the boot latch on the edge of the body.

- 2** Slide the boot on to the body, keeping the boot latch in place.

- 3** Slide the boot on until you hear "click" (approximately 40 lbs. of pressure). Press body against floor or table top.
