OUTERWEAR CENTER BACK LENGTHS

- Measurements based on a size Large Regular
- Tall sizing adds an additional 2" in length

HOW TO MEASURE

NOTE: For best results measure over your undergarments. Use a cloth measuring tape.

Chest:

Measure just under arms and across shoulder blades holding the tape firm and level. If your chest falls between sizes, order the next size up.

Natural Waist:

Bend side to side and find the natural bend in your body; this is your natural waist. **Note:** It may not be the smallest point.
