

Trucker Hat Sizes

Hat profile measurements are taken from the seam of the bill to the curve of the crown.*

STYLE	CIRCUMFERENCE
Lo-Pro	55 - 61"
Mid-Pro	55 - 61"
Hi-Pro	55 - 61"

Our Hat Styles

Below is a list of our current hat styles with more descriptive information about each.

LO-PRO TRUCKER

Low Profile hats are generally unstructured and offer a shallow fit with curved visor profile.

MID-PRO TRUCKER

Our Mid Profile fit offers a modern crown shape with slight visor curve.

HI-PRO TRUCKER

High Profile truckers offer that classic truck stop shape with a deeper crown and slight visor curve.
