ABOUT ACTIVE FIT

Previously referred to as our regular fit, this fit is a more modern true to size fit. The active lifestyle silhouette sits closer to the body than the fit of our technical vented fishing shirts. Designed to allow maximum moisture wicking, cooling, movement and overall on-the-water performance.

WHAT SIZE SHOULD I BUY?

If you're undecided or in-between sizes, we suggest you size up, although that will depend on how much of a form fitting fit you're looking for.
