

# Beretta Sizing Chart

For the Best Fit...please use the following charts to determine your size when ordering.

Clothing Size Measurements (Measure your body)

**Neck (men):** Wrap tape around to the base of your neck in the front and allow extra room for comfort, or measure the collar length of your favorite shirt.

**Chest/Breast:** Wrap a tape measure evenly around the fullest part under the arms.

**Waist:** Wrap tape around your natural waistline, or where you actually wear your pants.

**Hip:** Standing with your feet together, measure around the fullest part of your hip (approximately 7-8 "below the waist). Don't forget to keep tape level.

**Inseam:** Best taken from a pair of your own pants which you like length of when wearing. Measure along the garment inseam from the crotch seam to the hem.

**Sleeve length:** From center back of your neck with your arm slightly bent, follow the tape around to your wrist bone.

**Shoulders:** Wearing a shirt, measure from one seam to the other crossing the shoulders.
